RE: Food Service Program

Granite Hill School provides all students with access to healthy and nutritious meals through the National School Lunch Program. Granite Hill School does not charge students or families for the meals that are offered for breakfast and lunch.

As part of the National School Program, Granite Hill School is eligible for some reimbursement based on the results of your household application.

Granite Hill School encourages all families to fill out the Free or Reduced Food Service Application (even if you don't think your family will qualify).

Click [HERE](#) for the NSLP application
